Featured Highlights

Creating Value through Open Data

Economic benefits are primarily derived from the re-use of Open Data. Value is there. The question is how big?

Open Data Maturity in Europe

Where do the European countries stand with regard to the deployment of Open Data?

Connecting Europe Facility (CEF) opens call for proposals

€ 4.5 M available in a call for proposals for generating value through the re-use of Public Sector Information

Eighteen ODINE entrepreneurs awarded a total of €1.7m

Open Data companies from Austria, Estonia, France, Greece, Netherlands, Israel, Italy, the UK & Slovakia join the ODINE incubator

**It's
more
than
just a
Data
Portal**

**It's about
Supporting
data
publishing
&
data re-use**

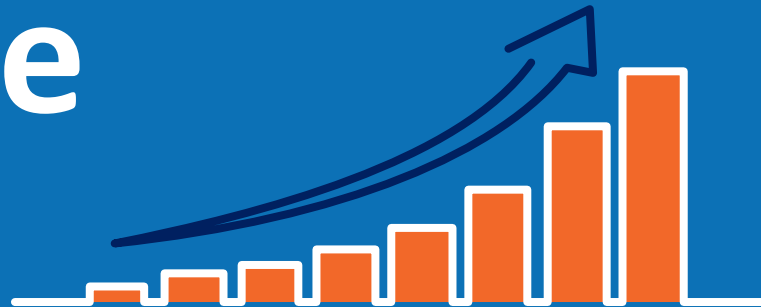

European countries are half
way through the journey

Clear drive to publish
more data

Value
also
comes
from
re-use
